More on the Candidate:

This would be my second stint on the Board of Daughters of Hawai'i. I believe strongly in the mission of the Daughters of Hawai'i and look forward to contributing again to the Organization in a more active way.

My roots go deep in Hawai'i and in the Organization. My grandmother, Sarah Lucas Larsen, served as regent in the 1950s. I am a child of the sugar plantation era and was raised in Kahuku on O'ahu, and 'Ele'ele on Kaua'i, where my father worked for the plantations. My siblings and I were raised close to nature and to the broad spectrum of people who inhabit this special place. I am passionate about preserving Hawai'i's habitat, history, and culture for future generations.

I have two grown children and one grandchild, all living close by. Lucky me.

Name: Kehaulani Keanaaina

Position: Corresponding Secretary

Member Since: 2018

Contributions to the Daughters of Hawai'i:  
Secretary for the Hulihe'e Palace Committee, Chair of the Day at Hulihe'e

Experience:

Licensed Realtor, Windermere Real Estate  
Bachelor of Science, Oregon State University

## More on the Candidate:

I was born and raised in Kailua-Kona, Hawai'i. I graduated high school and left Hawai'i in 2001 to "spread my wings" and attend college in Oregon, graduating with dual degrees in Interior Design and Housing Studies. I spent 15 years in Oregon, and fortunately had the opportunity to return home in 2016. The majority of my professional background has been in retail management. I was grateful to be an experienced General Manager for The Home Depot at a young age and continued to work for the company for 15 years. Amongst the many skills I've learned, overseeing 250+ people teaches you patience, humility and excellent communication skills. My current career is one that I enjoy above all, Real Estate! I've fallen in love with my hometown all over again! In my "spare time" I enjoy playing in the ocean, eating local food (lots of it) and spending time with my family. I was blessed to join the Daughters of Hawai'i in 2018. My grandmother was a Daughter and it's important to me to follow in her footsteps. I'm currently the recording secretary for the Hulihe'e Palace Committee. I enjoy being apart of a like-minded group who supports the preservation of culture integrated with positive progression. I have felt a strong sense of ohana since I've joined the Daughters as I've had so many women encourage and mentor me in this process. One mentor in particular stands out in my mind, former Regent, Faye Daniel. I believe that she would have encouraged me to "step forward" and assist the Board in the most effective capacity. If considered, I will do my best to represent the organization with the best of my ability. Thank you for your consideration. Warmest Mahalo, ~Kehaulani
